- Position** Non-motorized Watercraft Inspector
- Location** Fallen Leaf Lake, California
- Salary** \$11.00 per hour
- Duration** April 16, 2011 — September 30, 2011 (Full-Time & Part-Time Positions Available)  
[End & start dates are dependent upon weather and workload, some positions may start sooner/later and end sooner/later]

### Job Description

The work of a Non-motorized Watercraft Inspector is physically and mentally demanding. Work is performed in the field at non-motorized watercraft launching locations, which can involve long hours in the elements. Non-motorized watercraft launching locations are located around the Fallen Leaf Lake at approximately 6,226 feet. Summer temperatures can be over 80 degrees and snow can accumulate throughout the year and exceed 10 feet in depth during the winter. Operations will allow for exposure to conditions such as dust, fumes, noise, heat, cold, rain, snow, and/or odors. Frequent interruptions to planned work activities will occur. Position will require flexible work hours when needed including holidays, weekends, and evenings, and will require some manual labor.

As a staff member of the Tahoe Resource Conservation District (Tahoe RCD) and working under the direction of the Watercraft Inspections Program Administrator, the Non-motorized Watercraft Inspector will be responsible for non-motorized watercraft inspections, documentation and reporting, on-site surveys, customer service; and interaction with private/public property owners and cooperators of the Tahoe RCD. This position will be for the Fallen Leaf Lake area only. Employment under this position is seasonal and dependent upon the needs of the Tahoe RCD and the availability of funding to support the positions.
