

LAKE TAHOE BASIN
WEED COORDINATING GROUP

Lake Tahoe Basin Invasive Weeds Workshop

Wednesday, June 9, 2010
1:30 p.m. – 4:30 p.m.

*Lake Tahoe Community College
Board and Aspen Rooms
One College Drive, South Lake Tahoe*

- Learn about the **biology** and reproduction of invasive plants.
- Learn how to **prevent** the introduced and spread of invasive weeds.
- Regional experts will provide **hands-on identification** of thistles, knapweeds, brooms, toadflax species and other terrestrial weeds of concern in the Lake Tahoe area.
- **Who should attend?** Landowners and managers, on-the-ground crews, trail/park staff and volunteers and the general public.
- This workshop is sponsored by the Lake Tahoe Basin Invasive Weeds Coordinating Group with presenters from the University of California Cooperative Extension, El Dorado County Agriculture Department, US Forest Service and University of Nevada Cooperative Extension.

To register for the workshop email Wendy West, University of California Cooperative Extension at wkwest@ucdavis.edu or call (530) 621-5533. The workshop is free but registration is required.
